

Document shredders DAHLE 610air

- Team document shredder for professional use
- Improves indoor climate even when the document shredder is used heavily. The unique DAHLE CleanTEC® filter system demonstrably reduces fine dust levels produced by document shredding.
- Doors open wide for easy emptying of waste container
- Intuitive, user-friendly illuminated control panel with audio signals
- Device shuts down automatically after 30 minutes without use
- Electronic start and stop function controlled by integrated light barrier
- Automatic paper reverse function clears excess paper
- Convenient feeding and reversing function for manual control
- Automatic safety shut-off when the waste container is full or the door is open
- Optical waste level indicator
- High-quality solid steel cutting rollers made of special steel for guaranteed long lifetime
- All models with particle cut feature integrated oil tank for regular automatic oiling of cutting rollers
- Pull-out waste container
- Powerful motor ensures high performance and longer run times
- Extremely quiet operation
- Convenient swivel castors, two of which are lockable, with 5 cm ground clearance for greater mobility
- Easy-to-reach main switch on rear of device
- Practical cold-device plug can be detached from document shredder
- 5-year guarantee on cutting rollers for models with security levels P-6 and P-7
- Dimensions (H x W x D): 944 x 545 x 435 mm

Departmental document shredders: professional performance across the team.

Entry width 260 mm

Waste collection volume 100 litres

Wattage 650 watts

Convenient swivel castors with lockable brakes for secure positioning

Carries the GS Intertek test mark

Unique DAHLE CleanTEC® filter system

Device shuts down automatically after 30 minutes without use

Extremely quiet for a pleasant, low-noise working environment

Permanent measurement of paper volume ensures uninterrupted shredding.

Integrated oil tank for controlled, automatic lubrication of the cross-cut cutters helps to lengthen service life while keeping performance
